This data is current as of September 2009 but is subject to change. Facts about teachers and students are from the census of early October 2008. Testing data is based on tests taken in the spring of 2009. The CDE issued API and AYP results in September 2009.

ACADEMIC PERFORMANCE

California Standards Tests

This series of tests is based on what California students are expected to know and learn at each grade level. You'll find students' test scores summarized in five bands below. They range from the lowest scores on the left to the highest scores on the right. The top two bands—Proficient and Advanced—are expressed as a combined percentage. The scores for our students are compared with the scores of all students in California at the same grade level to help you see where we stand.

Student Proficiency

BAR GRAPHS SHOW THESE PROFICIENCY GROUPS FROM LEFT TO RIGHT:

FAR BELOW BASIC **BELOW BASIC** **BASIC** **PROFICIENT** **ADVANCED**

MEASURES OF ACADEMIC PROGRESS

We use two measures to track our school's academic achievement over time: the Academic Performance Index (API) and Adequate Yearly Progress (AYP). These measures combine test results differently and often provide differing views of student progress.

ACADEMIC PERFORMANCE INDEX (API): This is California's way of rating schools. Using student test scores, the API places schools on a scale from 200 to 1000. Our school's API was 636, compared with 792 for the average elementary school. The state expects schools to attain an API of 800 eventually.

ADEQUATE YEARLY PROGRESS (AYP): This is a federal measure that requires schools to meet test score goals schoolwide and for all subgroups* of students. We met ten out of 21 criteria for yearly progress. Because we fell short in 11 areas, we did not make AYP. Note that the number of criteria may vary from school to school.

| CALIFORNIA API ACADEMIC PERFORMANCE INDEX | | FEDERAL AYP ADEQUATE YEARLY PROGRESS | |
|--|------------|---|------------|
| Met schoolwide growth target | No | Met AYP | No |
| Met growth target for prior school year | No | Met schoolwide test participation rate | Yes |
| API | 636 | Met schoolwide test score goals | No |
| Growth attained from prior year | -12 | Met subgroup* test participation rate | Yes |
| Met subgroup* growth targets | No | Met subgroup* test score goals | No |
| | | Met API for AYP | No |
| | | Program Improvement school | Yes |
